

Functional. Clean. ⋮ It's peel power for bakery applications.

With no chemicals or additives, CitraFiber® is the ultimate clean ingredient to increase yields up to 15%.

Functional Benefits

- Increases volume
 - Decreases bake out
 - Improves texture
 - Extends shelf life
 - Improves resiliency
-
- No chemicals are used in the production of CitraFiber®
 - No additives
 - 100% natural
 - Odorless, tasteless and colorless

Why choose CitraFiber?

Increases yields up to 15%.

CitraFiber® provides the food and beverage industry with a superior functional citrus fiber powder derived only from upcycled Florida citrus peel.

CitraFiber® improves functionality and delivers structure in baked goods. CitraFiber® enhances moisture retention, and adds nutritional value when used as a replacement for non-natural fibers and gums.
