

# Salads. Sauces. Dressings.

## Functional. Clean. : It's peel power for all your salads & sauces.

With no chemicals or additives, CitraFiber® is the ultimate clean ingredient to reduce modified starches by up to 65%.

### Functional Benefits

- Emulsification
- Starch extension
- Thickener
- Creamy mouthfeel in lowfat sauces
- Syneresis reduction

- No chemicals are used in the production of CitraFiber®
- No additives
- 100% natural
- Odorless, tasteless and colorless

### Why choose CitraFiber?

#### 65% Modified Starches Reduction.

CitraFiber® provides the food and beverage industry with a superior functional citrus fiber powder derived only from upcycled Florida citrus peel.

CitraFiber® improves functionality and delivers structure in baked goods. CitraFiber® enhances moisture retention, and adds nutritional value when used as a replacement for non-natural fibers and gums.
